Dear Jack,

I would like to thank you and FALA for coordinating and participating in the Grass Roots tour of the ALF in my District recently. I appreciated Belie Williams, FALA's Legislative Co-Chairman, for taking time out of his busy day to tour the facilities and speak with me regarding some of the upcoming issues the Long-Term Care Industry will be facing.

I have been conducting Town Hall meetings around my District and you and your Associate Tracy Hogan were able to get me in front of more of my constituents in one day than I have seen in all of my Town Hall meetings put together. Your commitment to Voter Registration and your Absentee Ballot program will be a big help in my upcoming campaign.

I was proud to file the Tort Reform Bill that could have been used as a vehicle for an amendment on ALF Tort Reform. Due to this action, I am anticipating opposition from those who do not want Tort Reform, but with your help and your continued ALF Grass Roots program in my District I will be proud to continue working with you on ALF Tort Reform.

Thanks again for your great Grass Roots program and for such a successful day in my district.

With Regards,
